James Bruce Harreld • 2:48 PM  
When you get them just scratch it and take clear pictures of them and send it to me here Okay.

James Bruce Harreld • 3:00 PM  
Are you there ?

John Batchelor • 3:07 PM

Indeed! I have known this was a scam all along but played along and captured screenshots of all correspondence. I have notified President Harreld of your impostor page and email address, and also reported it to LinkedIn. I plan to send the screenshots of our correspondence to state media, including the Des Moines Register, in order to call attention to these gift card scams. You have tried to fool me into providing my bank account information AND a substantial value of gift cards. My profile clearly states that I have a Ph.D. How naive did you think I was????

James Bruce Harreld • 3:09 PM

What you mean ? Scam

James Bruce Harreld • 3:10 PM

if you could not do what i told you to do you should have told me than you insulting me over an Itunes cards of just \$500

This is really Ridiculous

John Batchelor • 3:12 PM

I have captured screenshots of all of these messages and saved them in a Word file. I will be sharing them with media outlets, and also with President Harreld (whom you are impersonating).  
HA!

James Bruce Harreld • 3:17 PM

Ok suit yourself and if you have forgotten am the President
